Teen Acne Facial

A deep, thorough cleansing and extraction to break down impurities, sebum, dead skin cells, and blackheads. An ideal treatment exclusively for teens struggling with stubborn acne.

\$79.00 per treatment

Medical Facial Treatment

Customized medical facial treatment to target acne, rosacea, scarring, anti-aging, dryness, discoloration, and general skin health.

\$109.00 per treatment

Series of 6 - \$549.00

Signature HydraFacial

Rejuvenates and protects the health of your skin, providing immediate results and long-term benefits. Includes LED Light Therapy.

\$189.00 per treatment

Premium HydraFacial

Provides all the benefits of the Signature HydraFacial with a customized booster serum that addresses specific skin concerns.

\$219.00 per treatment

Premium HydraFacial with Dermaplaning

Starts with the powerful exfoliation process of Dermaplaning followed by the dynamic duo of the HydraFacial and a customized booster serum.

\$249.00 per treatment

Dermaplaning

An exfoliation process for the face that utilizes a sterile scalpel to gently remove the top layer of skin. The result is fresh, smooth, and brighter-looking skin.

\$99.00 per treatment

\$40.00 as an add-on

Aesthetician Consultation

Our licensed skin care specialist will assess your skin and determine the best options for your specific needs.

Complimentary visit

BioRePeel Cl3

A chemical peel for the face, neck and décolleté that utilizes advanced technology to enhance collagen and elastin production, promoting increased cellular turnover. Its innovative formulation delicately exfoliates the outer layer of skin by breaking down bonds between aged, dead, or damaged cells.

\$115.00 per treatment

\$50.00 as an add-on

Series of 4 - \$391.00

Microdermabrasion

Improves uneven skin tone superficial scarring, fine lines, pigmentation, and wrinkles with the use of aluminum oxide crystals. After a series of treatments, your complexion will appear smoother, brighter, and more even in color.

\$119.00 per treatment

Series of 6 - \$599.00

Hydrojelly Mask

A customized “jelly-like” mask that provides the skin with hydration and a natural cooling effect simultaneously. A perfect addition to any treatment.

\$15.00 as an add-on
